MESSAGE FROM THE EXECUTIVE DIRECTOR..

Thank you for joining us for our 15th anniversary celebration - our 'Un-Gala' 2023!

It's amazing to see the expansion of SLED's goals and programs over the past 15 years. Though I've been Executive Director since November of 2021, I have volunteered on the Gala committee for many years, and in that capacity, I have had a front-row seat to what SLED has been able to accomplish and how much we have grown.

With the support and generosity of our unique and unparalleled San Leandro community, we are funding more than ever. In partnership with the school district, local businesses, and families, we are focusing on hands-on learning that reaches all grade levels and ensures equitable access to opportunity, growth, and success for our diverse local students, and there is even more in store.

We can't do it without you, our wonderful community, so thank you for being part of the education success of San Leandro students.

A handwritten signature in black ink, appearing to read "Kerin", followed by a long horizontal line extending to the right.

Canology

The Science of a Clean Can

Before Canology

Sanitized using 200 DEGREE
HOT HIGH PRESSURE
WATER...

After Canology

Your cans are returned 99.9%
GERM FREE, SANITIZED
& DEODORIZED...

Our system is tough on filthy grime but gentle on the environment. Our green eco-friendly wash trucks help reduce Urban Run-off into our rivers and ocean!
We have trash can cleaning down to a science!

Our Four step Environmentally Friendly Process will leave your cans 99.9% Germ Free, Sanitized & Deodorized.

1
Our custom truck
arrives at your curb the day
after trash day...

2
Your EMPTY CAN is pre-treated
then raised into our trucks
self contained wash bay...

3
Your cans are then sanitized
using 200 DEGREE HOT HIGH
PRESSURE WATER...

4
Your can is returned 99.9%
GERM FREE, SANITIZED
& DEODORIZED...

PBK

A heartfelt “Thank You” to the dedicated educators and administrators who mold young minds, your passion fuels our purpose. We salute your commitment to nurturing the leaders of tomorrow in San Leandro.

At PBK, we’re not just architects – we’re visionaries who understand that the spaces where education blossoms play a pivotal role in shaping young minds. Our expertise lies in crafting vibrant, inspiring PreK-12 educational environments, where every corner blends imagination and functionality to craft spaces that inspire, captivate, and turn aspirations into breathtaking realities.

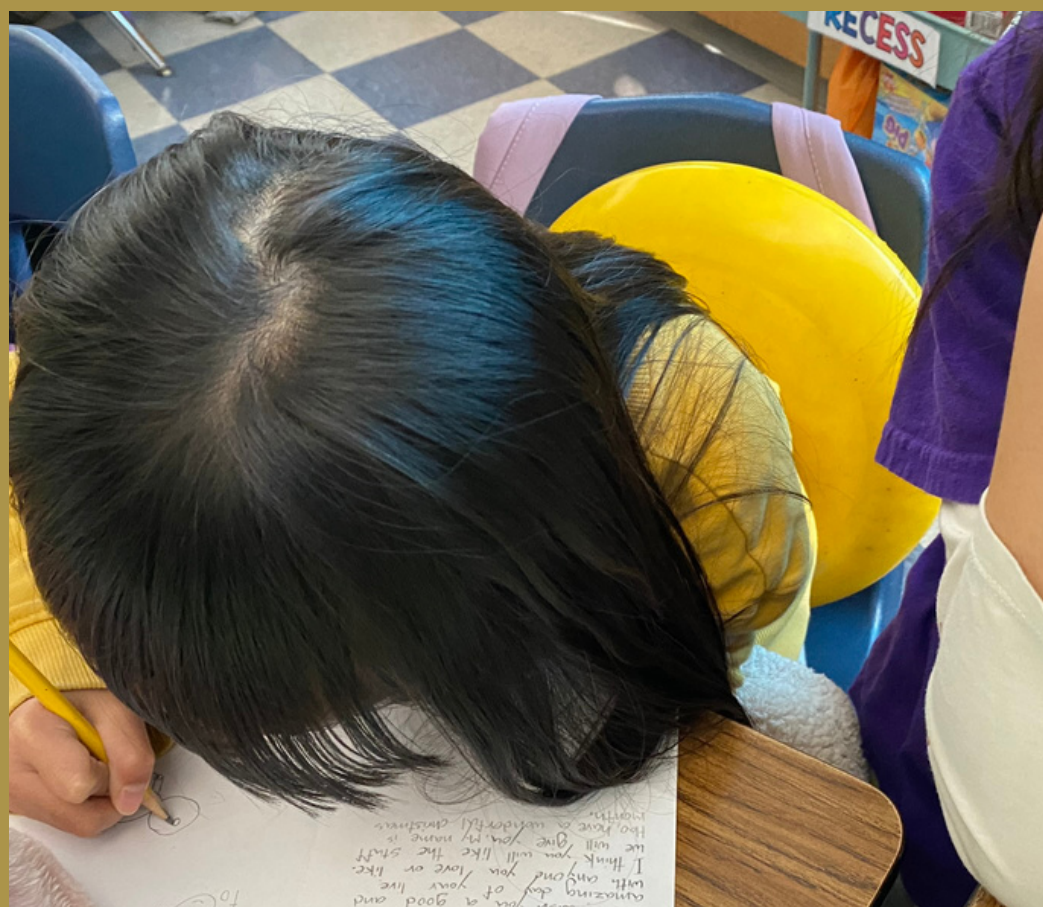

From interactive play areas to collaborative learning zones, we create environments that evolve with students, supporting their holistic development. Our designs seamlessly blend indoor and outdoor spaces, fostering a connection with nature.

Local business partnerships Bringing energy to our community

Partners energize each other's efforts to achieve common goals. That's why PG&E actively reaches out to local business in the community. We believe it's just as important to bring energy to a community through our partnerships as it is through our power lines.

JONES HALL

A PROFESSIONAL LAW CORPORATION
